About the Children's Home Society

The Children's Home Society of Idaho was established in 1908 to oversee the state's orphanage. Today, CHS operates three programs, the Warm Springs Counseling Center, Warm Springs Training Institute (an APA Accredited training program), and The Bridge. Through these entities, CHS provides outpatient behavioral health services, training for mental health professionals, and innovative approaches to improving foster care. The mission of CHS is to provide behavioral health programs and related services to children and the families who care for them, regardless of ability to pay.
