PROGRAM DIRECTOR OF THE BRIDGE FIFTH IN IDAHO TO EARN CFRM

(BOISE, ID – September 15, 2008) Megan Crouch, Program Director of The Bridge, a program of The Children’s Home Society of Idaho, has obtained a Certificate in Fundraising Management (CFRM) from The Fundraising School at The Center on Philanthropy at Indiana University.

The Fund Raising School is the only international fundraising education program housed within a university. The Fund Raising School helps nonprofit fundraisers, executives, board members, and volunteers improve the success of their organizations by improving their fundraising success. The school teaches comprehensive, proven fundraising concepts and principles, incorporating the latest research. At the same time, it offers specific tools and techniques that empower fundraisers to effectively plan and manage their development efforts.

Mrs. Crouch is only the fifth person in Idaho, since 2000, to achieve this educational distinction!
