Children's Home Society Receives Donation from ICF

Boise, IDAHO — January 5, 2010. The Children's Home Society of Idaho (CHS) received a donation from the David L and Yoshie K Nordling Advised Fund in the Idaho Community Foundation (ICF). The Idaho Community Foundation's mission is to enrich the quality of life throughout Idaho.

CHS appreciates the support of both the Nordlings and ICF. "With donations being greatly impacted by the economy, this contribution comes at a helpful time and will assist us in our mission of providing counseling services to children and families, regardless of ability to pay," said Patsy Fedrizzi, President, CHS Board of Directors.

About the Children's Home Society

The Children's Home Society of Idaho was established in 1908 to oversee the state's orphanage. Today, CHS operates three programs, the Warm Springs Counseling Center, Warm Springs Training Institute (an APA Accredited training program), and The Bridge. Through these entities, CHS provides outpatient behavioral health services, training for mental health professionals, and innovative approaches to improving foster care. The mission of CHS is to provide behavioral health programs and related services to children and the families who care for them, regardless of ability to pay.
